Priority Admissions Policy

In the admission of students to St. Mary's School, priority consideration shall be given to these criteria in the following order:

1. Siblings of current students whose families are active registered parish members.
2. Siblings of current students whose families are Catholic, but are not registered members.
3. Siblings of current students whose families are not Catholic.
4. Children of members registered in the parish for a minimum of one year. If there are more registered members than there are seats available, other factors considered would be the number of years as a member, participation in volunteer activities and regularity of stewardship.
5. Children of recently registered members of the parish, who recently moved into the area.
6. Children of recently registered (within one year) members who have lived in the area previously.
7. Children of Catholic families who are not registered parish members.
8. Children of Non-Catholic families.

Please note that to receive priority consideration the registration form and fees must be received on or before the established deadline.
