Dear Families,

For your convenience, we have converted the majority of our back-to-school forms to fillable PDFs or Google Forms. Click on the links below to complete and return these forms. Please note there will be a few more forms coming next week.

Our back-to-school night will be run a little differently this fall. Since we can't all gather face-to-face, Msgr. Shecterle, Fr. Linn and I will be prerecording our messages and classroom teachers will be inviting parents to join them via Zoom for a brief overview and to answer any questions you might have.

Our private schools will be meeting with the Waukesha County Health Dept. again this Tuesday, so we hope to share our "final" reopening plans with you after that. Our current plan still includes reopening for in-person instruction with all students attending five days a week. At-home learning options are available for those who are unable to attend due to special circumstances.

Families with special circumstances, who are not comfortable or able to return to in-person instruction on August 31, should **complete this form** to indicate their choice of at-home learning. At-home learning will be delivered through a blend of live, real-time participation (student is virtually present during class time) and asynchronously (recorded/prepared lessons accessed through Schoology).

Faithfully,

Linda Joyner

Please save each form after completion and e-mail to: office@smps.school

Picture Day and Open House

August 28th
8:00 am—2:30 pm
Activity Center

Hard to believe this event is only 2 weeks away! This is always an exciting day for both the students and staff. Here is our plan for this day. To comply with the current social distancing guidelines, families will be scheduled a time slot for pictures and to drop off of school supplies to their homeroom.

Please note that in order accommodate the proper social distancing, we had to extend the time until 2:30 pm.

Look for the schedule to be e-mailed by the end of next week.

School Uniform Update

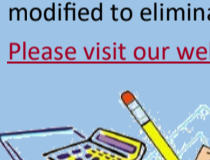

Joggers have been added to the gym uniform for both boys and girls through LandsEnd. They've got some great discounts going on now. [Visit Lands' End for further details.](#)

And remember our school code:
900128927

School Student Supply Lists: The supply lists have been modified to eliminate community supplies in the classroom.

[Please visit our website for the updated lists.](#)

For those families who may have ordered the WriteSTUFF school supply kits, you may have to supplement a few supplies. We apologize for the inconvenience.

St. Mary's is starting a 1st Lego League Team

Register by August 18th. [Click here for more details.](#)

SAVE THE DATE

- [St. Mary's 1st Food Truck Event](#)—September 11

- [Annual Golf Outing](#)—September 26

Summer Scrip Schedule:

Summer Scrip order should be dropped off at the parish office or placed on line. Summer pick up will be at the parish office, available starting at noon. The last Summer Scrip day is **August 24th.**

Questions? Contact Jerry Esser (jerryesser@sbcglobal.net).
