## Parish Updates: Parish Gala sponsorship Opportunities

Proceeds from the parish Gala support our mission and help sustain our parish, school, and ministries. This year, we will be raising funds for the school to implement Raptor Technologies for security. This system will allow us to better monitor who is in our building while also creating a more welcoming and efficient entry process for our guests—no more standing in a cold entryway signing a paper log. Safety and hospitality are both priorities, and this technology supports both. One meaningful way to support our parish and school while sharing in the success of the Parish Gala is through sponsorships. Show your support with sponsorship as a family, athletic team, or business. A sponsorship form and other details can be found on the [gala website](#).

## Calendar Raffle Winners:

**Congratulations to these \$30 winners drawn Jan. 21st:**
