

CHALLENGING MINDS • DEVELOPING CHARACTER • LIVING JESUS

Dear St. Mary Families,

It's hard to believe, but we're entering our final week of the school year and what a year it's been! As we look ahead to the last few days, our school is buzzing with joy, celebration, and heartfelt moments.

From final projects and classroom wrap-ups to field trips, class parties, and graduation celebrations, this week is packed with events that honor all the growth, hard work, and community spirit we've shared. A special congratulations goes to our 8th graders, who have officially begun their graduation festivities! Their final school Mass, awards, and upcoming graduation ceremony remind us all of the incredible journey our students take at St. Mary's.

As always, thank you for your continued partnership and support. We are grateful for the strong, faith-filled community we share and we're excited to finish this year with smiles, laughter, and lots of memories.

Please consider joining me the week after school to help move classrooms. This move will create a safer movement for our primary students and place our grade bands together for more collaboration for our teachers. We are switching 10 rooms! Any and all help is deeply appreciated.

Let the countdown to summer begin!
Mrs. Wood

Did you know your child can continue using i-Ready Personalized Instruction all summer long? It's a great way to keep skills sharp and avoid the "summer slide." 30-40 minutes a week can make a big difference!

Teachers will send home your child's login information before the last day of school.
