THE CONNECTION

St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person.

Dear St. Mary Families,

Excitement is building at St. Mary's! Our teachers have been hard at work preparing classrooms, organizing materials, and getting everything ready to welcome our students back.

Be sure to join us for our **Supply Drop-Off Night and Ice Cream Social**. While students are excited to see their classrooms and meet their teachers, this evening is also a wonderful opportunity for parents to connect with one another.

As adults, we often encourage our children to be brave, make new friends, and introduce themselves to someone new. What better way to model that behavior than by doing it ourselves? During the Ice Cream Social, I encourage you to step outside your comfort zone, introduce yourself to a family you don't know, and strike up a conversation. You never know, you may meet your child's future best friend's parents, discover a new carpool partner, or simply make a new connection within our school family.

Strong school communities are built one relationship at a time, and St. Mary's is special because of the people who make up our community. So grab some ice cream, say hello to someone new, and help us make every family feel welcome.

We can't wait to see you there and begin another wonderful year together!

Mrs. Wood

UPCOMING EVENTS

August 18
Supply Drop Off Night
(Including VIP Photos and Ice Cream Social!)
5-7PM

October 2
No School
(In-Service)

October 7
Early Release at
11:30AM

2026-2027 Academic Calendar

St. Mary Annual Golf Outing:

Dear St. Mary's Families,

Thank you to everyone who responded to my previous message. We have seen an increase in registrations and sponsorships, but we are still **well short** of what we need to make our Annual Golf Outing happen.

I want to be honest: St. Mary's depends on just **three fundraisers** each year: the Golf Outing, the Catholic Schools Walk, and our Spring Event. The Golf Outing alone typically raises more than $15,000 for our school. If we cannot make this event happen, that financial need does not disappear. We will simply have to find another way to raise those funds.

We work hard to be responsible stewards of your tuition dollars, carefully manage expenses, and secure grant funding whenever possible. But the reality is that no private school can operate on tuition alone. Community events like this help bridge the gap while bringing us together for a fun day in support of our students.

If you own a business, work for a company that sponsors community events, or know a business that would like to advertise to our school community, please consider becoming a sponsor. And if you enjoy golf, gather a foursome and join us on the course!

Thank you for your continued support of St. Mary's. I hope to see you on the course!

Mrs. Wood

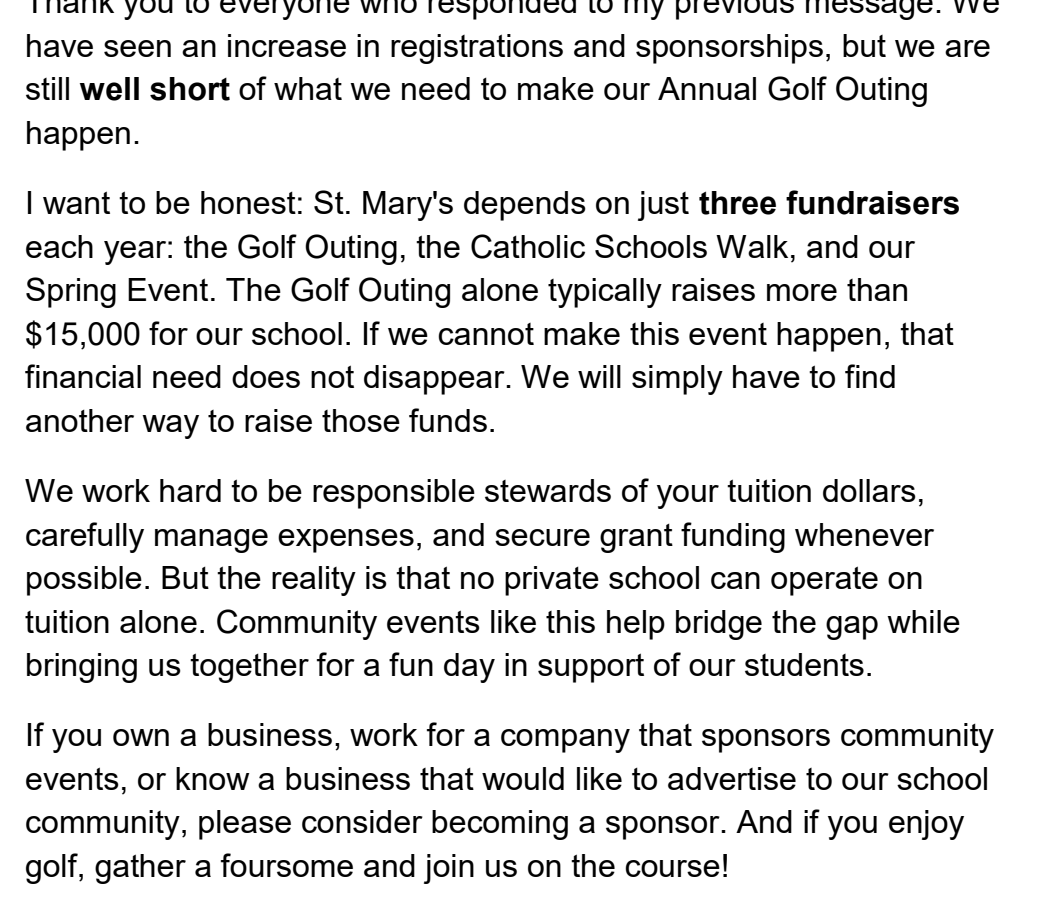

Supply Drop Off Night *(Including VIP Photos and Ice Cream Social)*: August 18th

Our hope is that **School Supply Drop-Off Night** is more than checking items off a list — it's a chance to reconnect, see familiar faces, and begin another year together as the St. Mary family.

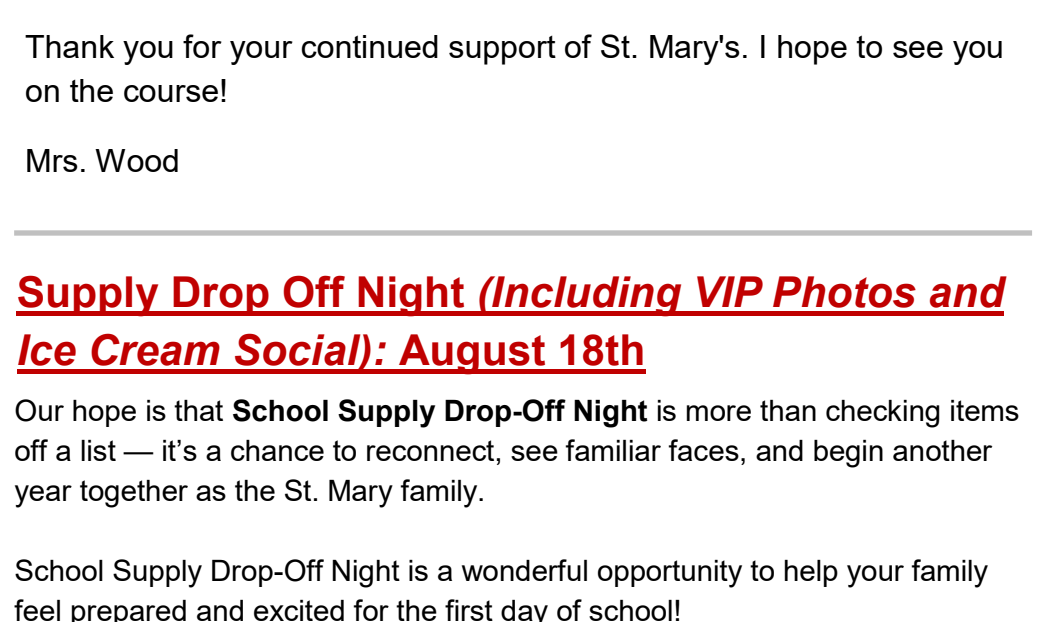

School Supply Drop-Off Night is a wonderful opportunity to help your family feel prepared and excited for the first day of school!

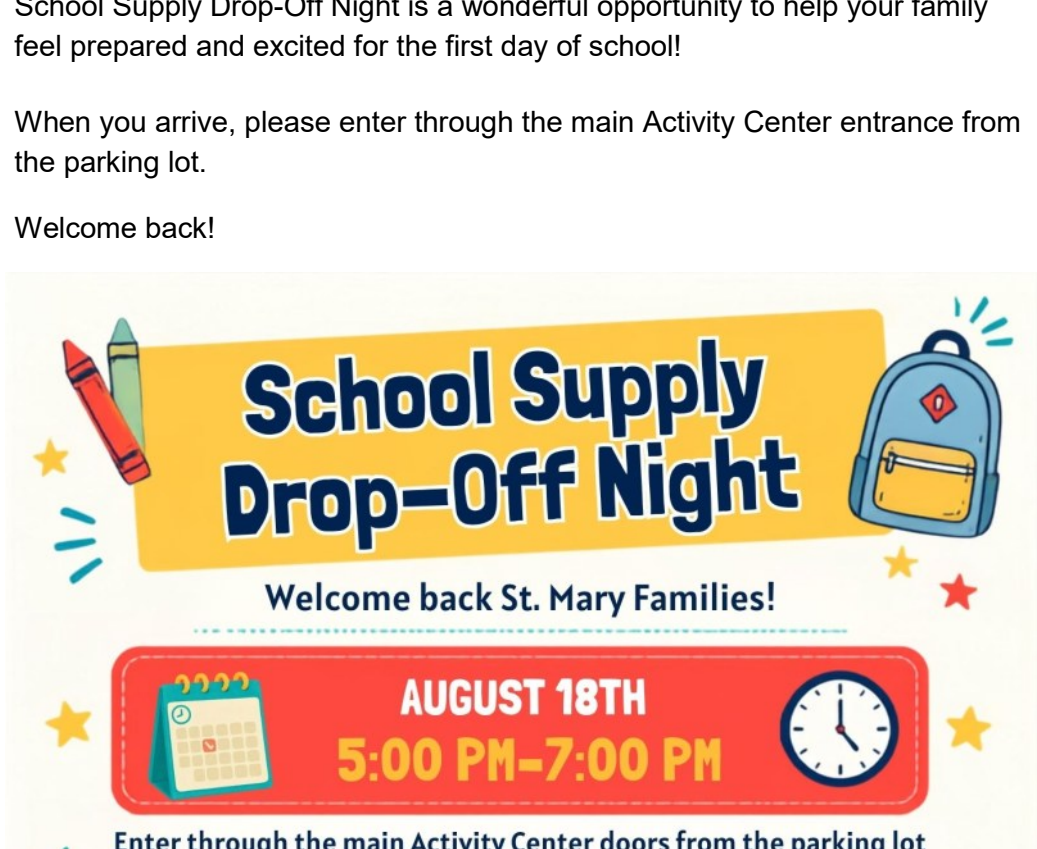

When you arrive, please enter through the main Activity Center entrance from the parking lot.

Welcome back!

Click here for new maps with updated information of where to find everything on our first, second and third floors!

Reminders/Resources:

Lunch Price Update for 2026–2027

As we prepare for the new school year, we have made a small adjustment to our lunch pricing to help offset rising food and supply costs.

Beginning this school year:

- **Daily Hot Lunch: $6.50**
- **Cousins Sub Mondays: $6.50**
- **Pizza Wednesdays:**
  - 1 slice: **$4.00**
  - 2 slices: **$4.75**
  - 3 slices: **$5.50**

We work hard to keep our lunch program affordable while continuing to provide quality meals for our students. This modest increase helps cover the increasing costs of food service and the supplies required to operate the program.

Thank you for your understanding.

Exciting News for St. Mary!
