St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person.

Dear Families,

We are only **days away from the start of the school year!** Are you excited?

It was so wonderful to see so many of us at Supply Drop-Off Night. Children in the building again makes it finally feel like it **is** the ready for you!

A huge thank you to our Home & School for providing the frozen treats, especially the **Limbaugh's** for taking on the event. Thank you, too, to the many people who jumped in at the end of the evening to help us sanitize and tidy! Activity Center and prepare the space for the next day. Finally, thank you to the many families who came back the next day to help put supplies away. It truly made a **massive** light work!

And perhaps the most unusual thank-you I'll write this year: **Thank you to everyone who participated when the tornado warning began!** While we certainly hope it never happens again, if it does, everything we've practiced and implemented this week will help us keep everyone safe. We are truly blessed with such a caring community.

The classrooms are ready. The teachers are ready. The supplies are here. All that's missing are the students. We look forward to their smiles, their energy, their questions, their excitement, and that first-day picture. A new school year is waiting for us!

There will be new friendships, new challenges, new discoveries, plenty of laughter, and countless moments to **Love Jesus and Love Others** in each of our days. This year, we will **Plant the Seeds**—and we cannot wait to see how God helps them grow! May God's Love guide us all as children to become.

2026-2027, here we come!

Mrs. Wood

2026-27 Family Dates - Updated Calendar:

Families, please use the calendar below to replace the Family Calendar that was shared during Supply Drop-Off Night. We have updated it to the format we believe is easiest to read, and we want to ensure everyone has the corrected dates. Please also be sending a hard copy of this updated calendar home with students on Tuesday!

Drop Off and Pick Up Procedures:

Please see below for our Drop-Off and Pick-Up Procedures. Most of you already know the drill, but this is a friendly reminder to please follow the procedures. Thank you for helping us keep our students safe and drop-off and pick-up to run as smoothly and efficiently as possible.

DROP OFF

Buses
Buses unload at the front entrance. A staff member is on duty to greet students, monitor, and direct students into the gym.

Carline
- Carline is delayed to allow those vehicles to unload simultaneously.
- Cars that pull all the way forward to the Activity Center entrance should remain in the vehicle with their child.
- 2nd Car Pull forward so students exit at the front of the steps.
- Please do not pull into the bus lane. Those spaces are for the safety of the children and are closed to the steps.
- Please follow the red arrows on the map below. Vehicles should enter the side entrance and exit via the front entrance.

Walk-Ins
Families who are walking students into the building should park their vehicle and walk their child to the front entrance. Please do not have children cross the parking lot.
All parents may accompany their child to the classroom at the beginning of the year until independence is established.

PICK UP

Busses
Students ridden the bus will be dismissed to the front entrance of the school, where buses load and depart.

After-Care
Students enrolled in After-Care will report to Rooms 118 and 120 at dismissal. Students will be picked up from After-Care.
Families registered in the After-Care will receive a separate email regarding pick up procedures and expectations when they register.

Parent Pick-Up
Parents picking up their child should park in the back parking lot and walk their child to the front entrance of the school.
Students are dismissed in the following order: K1 and K2 - Grades K3 - 5, then Middle School.
For student safety, parents must exit their vehicles and personally escort their child to the school.
Parents who have a student in need are unable to remain with their child will first see a parent or other authorized adult. Before leaving, students must notify their teacher that their parent or authorized pick-up person has arrived.
