

St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person.

Dear St. Mary Families,

Welcome to the 2026–2027 school year!

This year's theme, **Live Jesus: Planting the Seeds**, reminds us that every lesson, every friendship, every challenge, and every act of kindness is an opportunity to plant seeds of faith, knowledge, character, and hope. While we may not always see those seeds grow immediately, we know that God is at work in each child every single day.

We are excited to begin another year of growing together. This year brings several new opportunities for our students, including expanded student support services, the addition of a full-time Special Education teacher, continued growth in our STEAM program, and many new experiences that will challenge our students academically while helping them grow as compassionate Catholic leaders.

Over the next few weeks, you'll receive quite a bit of information as we prepare for the first day of school. Please take a few moments to read through this week's (and every week's) Connections newsletter carefully, as it contains important dates, reminders, and updates to help your family start the year smoothly.

As always, our partnership with you is one of the greatest strengths of St. Mary's. Thank you for choosing Catholic education and for trusting us with your children. On behalf of our entire faculty and staff, thank you for being part of the St. Mary family. We cannot wait to welcome everyone back and begin another incredible year together.

May God continue to bless your family as we prepare for the year ahead.

Mrs. Wood

St. Mary Annual Golf Outing:

Dear St. Mary's Families,

At this point, we are in danger of having to cancel our Annual Golf Outing because we simply do not have enough golfers or sponsors registered to cover the cost of the event. This is not a decision we want to make.

Our Golf Outing is one of the most enjoyable events of the year. It's a day filled with laughter and friendly competition. More importantly, it is one of St. Mary's largest fundraisers, typically generating more than $15,000 that directly supports our students and school. Losing this event would create a significant financial challenge for us.

We understand that both time and money are precious right now. If you're unable to golf, would you consider sponsoring a hole or encouraging your business or employer to become a sponsor?

If you enjoy golf, gather a foursome! Call those friends from high school or college, invite coworkers, neighbors, or family members, and use this as a reason to spend a fun morning together while supporting a great cause.

Every golfer matters. Every sponsorship matters. Every share of this event matters.

If you've been thinking about registering, please don't wait. Your participation could be the difference between canceling this event and making it one of our best outings yet.

Thank you for believing in St. Mary's and for everything you do to support our students. We hope to see you on the course!

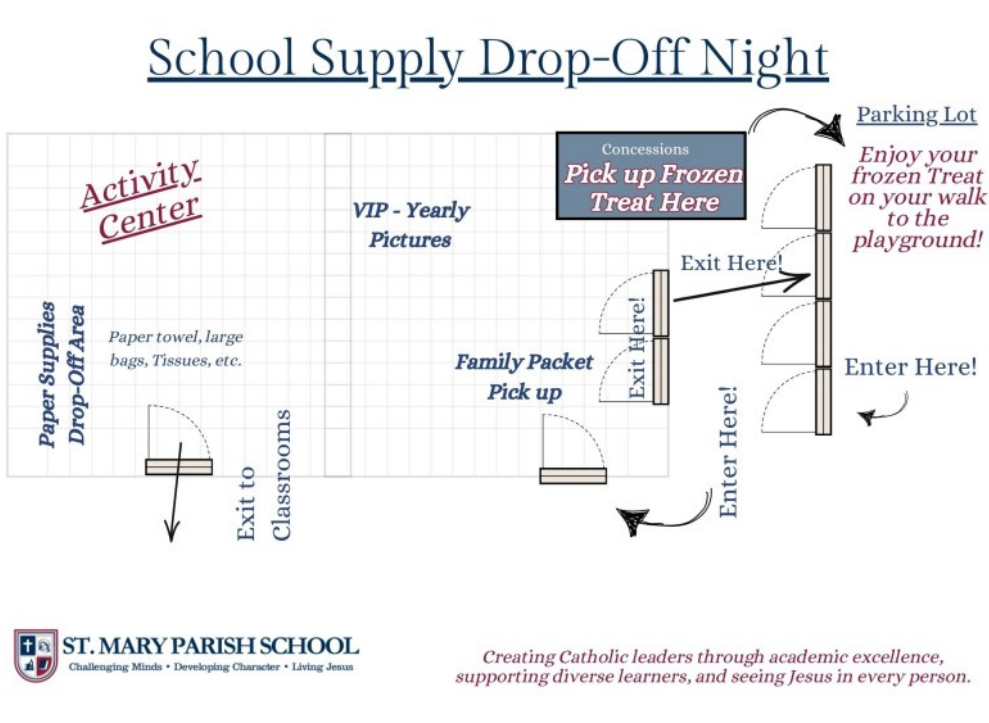

With gratitude,

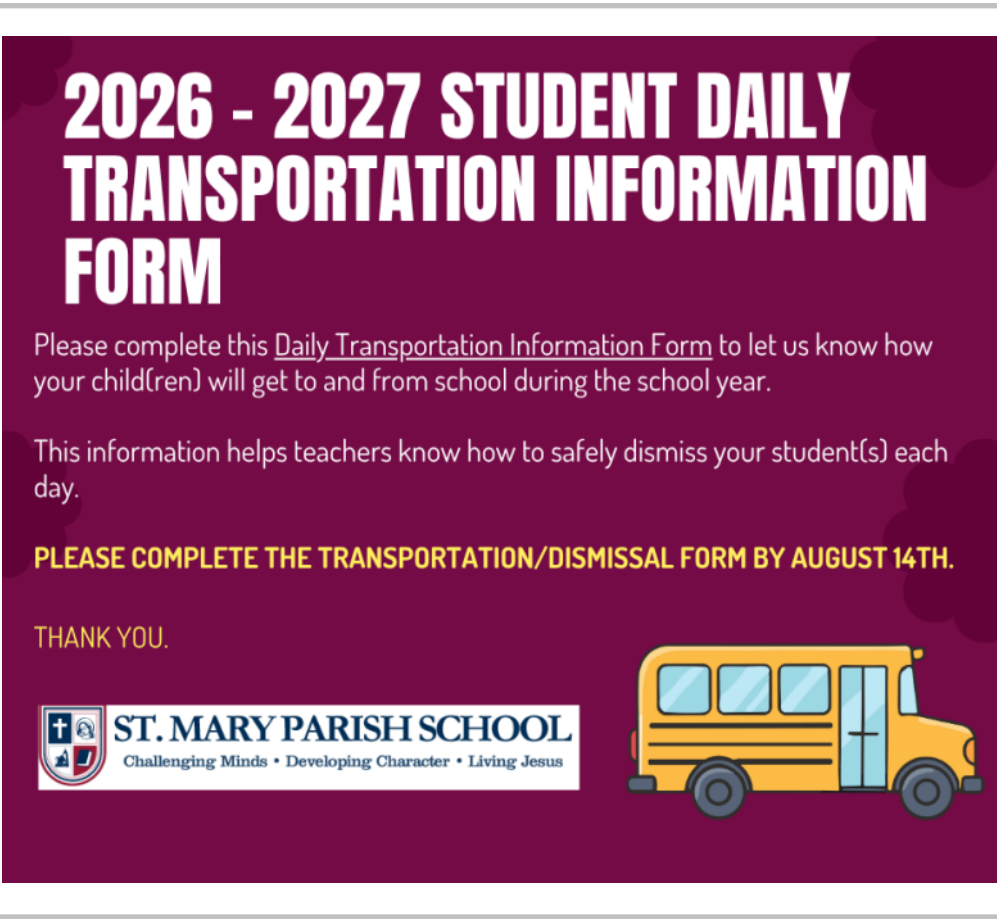

Annemarie Wood

Supply Drop Off Night: August 18th

Reminders/Resources:

Lunch Price Update for 2026–2027

As we prepare for the new school year, we have made a small adjustment to our lunch pricing to help offset rising food and supply costs.

Beginning this school year:

- **Daily Hot Lunch: $6.50**
- **Cousins Sub Mondays: $6.50**
- **Pizza Wednesdays:**
  - 1 slice: **$4.00**
  - 2 slices: **$4.75**
  - 3 slices: **$5.50**

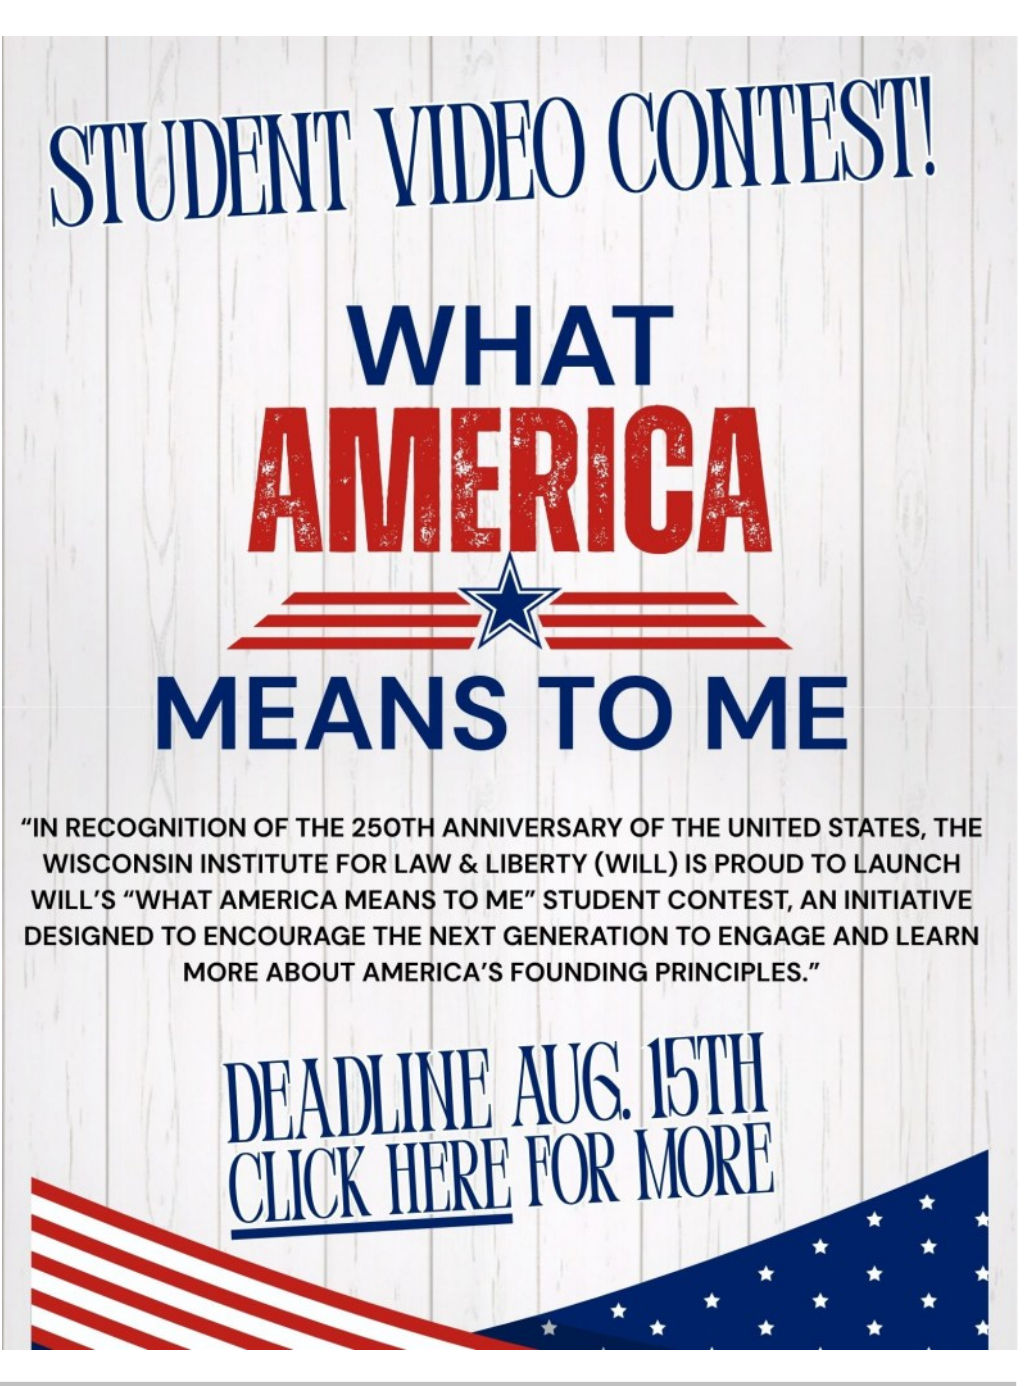

We work hard to keep our lunch program affordable while continuing to provide quality meals for our students. This modest increase helps cover the increasing costs of food service and the supplies required to operate the program.

Thank you for your understanding.
