

CHALLENGING MINDS

DEVELOPING CHARACTER

LIVING JESUS

Dear Families,

As you know, our school relies heavily on profits made from our annual fundraisers. Our [Cookie Dough Sale](#) and our [Annual Holiday Wrapping/Gifts, Tumbler Sale, and Magazine Sale](#) are all currently running. **All sales end Sept. 21st**, so please be sure to keep sharing the links and spreading the word with family and friends. We thank you for your continued support and efforts in raising funds for St. Mary School!

We are still accepting responses from our [Volunteer Opportunities Survey](#) that was sent last week. Please remember each family is expected to contribute 25 hours of service to our school community each year. Your involvement helps us keep costs low and provide extra activities for our students. Our Home and School Committee is relying on your responses to help us plan for the year, so if you haven't yet completed the survey, please do so at your earliest convenience. Thank you!

Have you signed up for 26th Annual St. Mary's Golf Outing? It's taking place at Silver Spring Country Club next weekend, Sunday, Sept. 18? Not a golfer? You can still join us for dinner! [Click here to register.](#)

Congratulations, to Lance Tappa and Mike Reesman who will be ordained into the permanent diaconate tomorrow! Did you know it takes five years of formal study to become a deacon? The diaconate ordination will be [live-streamed](#) at 9:00 a.m. Saturday morning and all are welcome to celebrate with them at a reception in the Activity Center, following the 5:00 p.m. Mass. Please join me in thanking Lance & Mike for their service and dedication to our parish community and please keep them and their families in your prayers as they officially begin this new vocation.

Have you logged in to Schoology yet? Schoology is our learning management system. New families should have received account information yesterday or today (please check your child's backpack). Returning families should be able to login the same way as last year. Click on the Schoology 101 link below for a brief overview. Please reach out if you need any assistance with your Schoology account.

What's going around? We have had three reported COVID cases this week and several students presenting with headaches, stomach aches and sore throats. Please keep ill children at home until they have been symptom free for 24 hours without the use of medication.

Faithfully,
Linda Joyner

Volunteer Spotlight:**Carolyn Stelpflug**

Our St. Mary Community relies on parent volunteers to help provide our faculty and students with the support they need. While we are grateful for each and every one of you, this week the school office would like to give a special, very sincere THANK YOU to Carolyn Stelpflug.

Mrs. Stelpflug helps on a weekly basis to cover lunchroom and recess volunteer needs, and whether it's a few weeks in advance or as little as an hour's notice, she's always ready to step in and help. Her positive attitude and willingness to do all she can to exceed the needs of our students and faculty show us that she's a great example of what Living Jesus looks and feels like. St. Mary is blessed to have parents like you who continue to support and uplift our community. THANK YOU!
