As Catholic School educators in the Archdiocese of Milwaukee, during this challenging Thanksgiving time, let us thank God together: for the mission that impels us, the communities that support us, the co-workers who inspire us, the students and families who rely on us, the controversies that purify us, the losses that refocus us, the blessings that surprise us, the love that connects us, the hope that sustains us, and the faith that gives purpose to our days.

A Blessed Thanksgiving to you and your families!

### St. Mary's Thanksgiving Food Drive

Our first school-wide service project of the year was a great success! We collected an abundance of food items and raised \$285 during our uniform buy-out day today for the Menomonee Falls Food Pantry. Many thanks to all of you for your generous spirit this Thanksgiving! And a big thank you to the 4th grade Webelos for delivering the donations to the food pantry.

### Winter Sports Announcement

After weighing the benefit versus the risk, we have decided not to participate in the archdiocesan basketball league this winter. This was not an easy decision to make. We believe participation in sports plays an important role in adolescent development. Our decision was based on several key factors including the current state of COVID-19, the number of parishes and schools that participate in our athletic programs, and the limited number of schools/parishes in the archdiocese that plan to participate.
