

CHALLENGING MINDS ● DEVELOPING CHARACTER ● LIVING JESUS

Dear Families,

Today, we were notified of three confirmed cases of COVID in eighth grade. And from what I am hearing COVID cases are on the rise again in the greater community. I know we all have "COVID burn-out" but it helps us keep kids in school when parents diligently monitor their children for COVID symptoms each day and keep them home when they are ill. In the current climate, we cannot assume that sniffles, a scratchy throat, or a cough are just common cold symptoms.

Symptoms of COVID include fever, cough, congestion, shortness of breath, loss of taste or smell, diarrhea, vomiting, nausea, runny nose, abdominal pain, fatigue, muscle aches, chills, sore throat, and headache.

If your child develops **ANY** symptoms of COVID please do the following:

- Keep your child home
- Notify the school office about the symptoms present
- Notify your health care provider that your child is experiencing symptoms of COVID
- Have your child tested

SETON UPDATE:

Girls, Division 1 team plays tonight at 5:30 p.m. If they win, they play again at 7:30 p.m. The boys also play tonight at 7:30 p.m. Tonight's games will be held at the Milwaukee Sting Center.

If the teams win tonight the final four and championship matches will be played on Saturday and Sunday at Catholic Memorial High School. [Click here](#) for more details.

I'm sure both teams would appreciate some fan support! Go Warriors!

Faithfully,

Linda Joyner
