

Soles for Catholic Education 2020

Have you heard the news? On October 17, 2020, the 8th annual virtual Soles for Catholic Education Walk will continue on its path to build community, celebrate Catholic education and raise money for Catholic schools. Students, families, alumni, educators, principals and supporters will rally together for this very important cause.

Our Soles Walk will be closer to home this year. During the school day on Friday, October 16th, each homeroom will walk a 1 mile route. We encourage the students to walk an additional 1 mile at home with their family over the weekend. Make a pledge to support the efforts of our students.

Each homeroom has set a goal to raise funds to support our school. Each homeroom teacher has decided on incentives students will earn. We invite you to register and raise money on behalf of your student's homeroom team. Join a team by:

- Visit <https://www.catholicschoolswalk.org/Soles-Walk>.
- Find our school (found on page 3)
- Select the "view" button
- Choose the fundraiser tab
- Select your student's "homeroom team" and view their page
- And now you may make your donation

You can also text to donate. See your student's homeroom text code below. St. Mary's 5-digit number is 71777.

Donations raised by your team will stay right here at St. Mary's. Help us reach our school goal of \$15,000. The impact of your donation will do even more to help our school, as generous Soles Walk sponsors have stepped up to match a portion of donations we receive. Imagine the multitude of benefits we can provide.
