

CHALLENGING MINDS

DEVELOPING CHARACTER

LIVING JESUS

Dear Families,

Yesterday was bittersweet as we said goodbye to Mr. Totero, our physical education teacher for the last 17 years. One of the sixth graders asked me this morning if I would please hire the person who was most like Mr. Totero. I interviewed two candidates this morning and am hopeful that we can find a full-time replacement very soon. In the meantime, we will be covering those classes internally and with substitute teachers. Please remind your children that a substitute teacher is like a guest in your home and that they are expected to be on their very best behavior.

**COVID Update:** I hope I don't jinx us by writing this but, as of today, we have 1 student in quarantine and 0 positive cases in our first two weeks of school. For comparison, local data for the Menomonee Falls School District reports 133 students in quarantine and 11 active cases. Of the 11 cases, none are at the elementary schools. Sussex Hamilton is reporting a seven-day average of 4.77 of positive cases. Their data includes all people who live within the school district boundaries. The Germantown school district is re-reporting 4 positive cases in their elementary schools and 0 cases in the middle school thus far. Our school and community data is very encouraging, and I am hoping these stable or downward trends continue. Let's keep our fingers crossed and keep praying!

**Out-of-Uniform/Spirit Wear Days:** Every so often fashion throws us a curve ball and we need to tweak and clarify the out-of-uniform policy. This year, it is the addition of spandex bike shorts as a fashion item for girls. This style of shorts will not be permitted on out of uniform days. Also, please remember that girls who wear leggings must wear a shirt that extends lower than their fingertips. Shorts must also extend lower than fingertips (Bermuda style). Moving forward, running shorts will not be permitted. The full uniform code is included in the [Family Handbook](#), which can be accessed from our [school website](#).

**Uniform Policy:** Please review the complete uniform policy in the Family handbook and note the following specifics.

- Hems on skirts and jumpers should fall to the knee.
- Socks must be solid black, white, navy or red without patterns or logos.
- Hair may not be dyed to an unnatural hair color or unnatural look, must not be cut in a distracting manner and must be groomed appropriately. Extreme hair styles such as mohawks, fohawks, shaved heads or shaved sculpted letters or designs in hairstyles are not allowed. Boys' hair must be trimmed so it is above the eyebrows and above the shirt collar. Girls' hair must be kept out of the eyes at all times.
- Piercings are limited to one pair of earrings and must be in the earlobe. Earrings should be smaller than a dime and not dangling.
- Accessories should be small in size and reflect uniform colors. Hats, kerchiefs, large bows, headbands, jewelry items, and other accessories must never present a safety hazard, a distraction or draw undue attention.
- Makeup is not allowed.
- Nail polish is acceptable.

**Morning Drop Off:** Please remember that if you need to park and walk your child to the front entrance, you should park in the Church lot or on the opposite side of the street. Parents should not "park" in the car drop offline on the South side of Cleveland Avenue.

**One more reminder:** If your children ride a bus to and/or from school they must wear a mask until the federal mandate is lifted. We are having to give out a lot of masks at the end of each school day to students who do not seem to have one with them.

Besides a few tweaks to help us get back into full school mode, the students seem to be adjusting well to the new school year. It is so nice to have smiles and laughter back in the school building!

Faithfully,

Linda Joyner
