"St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person."

Dear Families,

There's something pretty exciting happening in Wisconsin right now! The Brewers are gearing up for the World Series, and you can feel the excitement everywhere. After all, it's been a long time since we've had this much October baseball to celebrate!

But the Brewers aren't the only team chasing a big goal right now!

This Saturday is our Catholic Schools Walk, and Team St. Mary's is swinging for the fences with a $40,000 fundraising goal!

Every single dollar raised comes directly back to St. Mary Parish School to support our students and the learning experiences we provide each day. From the classrooms where curiosity grows to the programs that help each child discover their God-given gifts, your generosity makes an incredible difference.

And just like the Brewers, we're going to need our entire team to get us across home plate!

Let's see if we can hit a home run together!

Let's knock this one out of the park, St. Mary's!

Go Brewers! Go St. Mary's!

In His service,
Annemarie
