"St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person."

Dear families,

What a wonderful day we had at last week's **Catholic Schools Walk**! We received our best turnout yet in support of St. Mary's. Even the weather seemed to be cheering us on as the sunshine warmed the grounds while we walked! Thank you to everyone who joined us and to all of our families who have worked so hard to secure donations. Your generosity, participation, and commitment to our school are what make events like this so special.

We're still a ways from our fundraising goal, but I have every confidence that this community can reach our goal of **reach $40,000!** And let's not forget, there are some pretty exciting classroom prizes waiting on the other side of that goal. Keep those donations coming!

And finally...a little baseball confession.

World Series fever has certainly swept through Wisconsin, and I bet it's time to have a personal scrollcut I'm willing to make for the greater good. Traditionally, I don't pay much attention to baseball, but I've been known to root for the underdog. This year, that underdog is the Rays.

Every. Single. Time.

So, Brewers fans, you're welcome. My gift to all of you is that I will NOT be watching the World Series. I will happily do my part from a safe distance, where my apartment baseball curse cannot interfere. **Let's get 'em in four!** 😉

In His service,
Mrs. Wood

Dear St. Mary Families,

Unfortunately, we continue to see **safety concerns** in the neighborhood during morning drop-off, and our police department was present this morning to observe the situation.

We need everyone's cooperation to ensure that our morning drop-off is safe for our students, families, and neighbors. Please do not drop off students in front of driveways or stop so close to the crosswalk that you block traffic. These practices create safety concerns for pedestrians, other drivers, and the families who live in the homes surrounding our school.

We also have a responsibility to be good neighbors. Please be mindful of the homes and driveways around St. Mary and help maintain a safe, respectful environment for everyone.

If you are unable to park appropriately and safely to walk your child to the front entrance, please use the designated car line by the Activity Center. This allows students to exit vehicles safely without blocking driveways, crosswalks, or traffic.

Finally, please share this message with anyone who may be responsible for dropping off your child, including grandparents, babysitters, and other caregivers. We need everyone who participates in morning drop-off to understand and follow these expectations.

Thank you for your partnership and for helping us keep our children safe while showing consideration for our neighbors. Your cooperation makes a difference!

In His service,
Mrs. Wood

Reminders/Resources:

Changes of Dismissal/Absence Form:

A Friendly Reminder: Whenever there is a change in dismissal or attendance, please be sure to complete the Change of Dismissal/Absence Form, even if you have already emailed your child's teacher.

We've noticed that sometimes the teacher is notified, but the form isn't submitted, leaving the office unaware of the change. Completing the form helps ensure everyone is informed and your child's dismissal or attendance is handled correctly.

Thank you for helping us keep everyone on the same page!

From the desk of Mrs. Mogilevsky - Tip of the Week:

We're cleaning out some storage areas in the STEAM Lab and have items looking for a new home! STEAM grab bags will be available on a table outside the STEAM Lab (Room 200) on the second floor Wednesday afternoon and Thursday morning during Parent-Teacher Conferences.

Items are available on a first-come, first-served basis. Most items are older, and we can't guarantee they work! Stop by during conferences and see if there's something you can give a new home.
