ST. MARY Catholic School

"St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person."

Dear Families,

What a busy but wonderful week at St. Mary's! Between Brewers excitement, the final push for our Catholic Schools Walk fundraiser, and parent-teacher conferences, there is certainly no shortage of things happening around here!

We are in the home stretch of our Catholic Schools Walk fundraiser, and we are still working toward our $40,000 goal! There is still time to help us get there. Donations made through October 31 count toward your child's classroom rewards, so let's think strong! Thank you to everyone who has already contributed and supported this year's Walk as a wonderful celebration of our school community.

We are also looking forward to welcoming our first parent-teacher conferences! Conferences are a valuable opportunity to celebrate your child's successes, discuss areas for growth, and strengthen the partnership between home and school.

Learning is a journey, and every child grows at a different pace. At St. Mary's, we believe that academic excellence isn't simply about earning a grade or getting the right answer. It's about developing curiosity, perseverance, confidence, and the willingness to tackle something challenging. Mistakes are part of learning. Feedback helps us grow. Goals give us something meaningful to work toward.

As you meet with your child's teachers, I encourage you to think about the seeds we are planting together. How is your child growing not only in knowledge, but also in kindness, character, and respect for others? What can we nurture together to help those roots grow stronger? After all, our greatest hope is not simply that our children become excellent students, but that they become compassionate people who recognize Jesus in those around them.

Thank you for being such an important part of this school community. With Catholic families and teachers work together, we give our students the encouragement, support, and opportunities they need to flourish.

Live Jesus: Plant the Seeds!

Mrs. Wood
