"St. Mary Parish School creates Catholic leaders through academic excellence, supporting diverse learners, and seeing Jesus in every person."

Dear St. Mary families,

This week, I have been thinking about the nuanced difference between community and family.

A community gathers around a shared purpose, activity, or belief. We are united in a wonderful community at St. Mary. We come together around something more important: the privilege of educating and raising your beautiful children. But family is something more profound. Family is belonging. It is where we can be ourselves, celebrate one another, lean on one another, and raise one another up.

So many of you already experience this sense of family at St. Mary. I see it in the families that have been grown over the years, in parents cheering from the sidelines, in families looking out for one another, and in the countless small acts of kindness that happen every day.

Over the next two weeks, we have wonderful opportunities to extend that feeling to those who may not have found it yet.

If you are new to St. Mary or haven't had the opportunity to join many events, please come to our Spaghetti Dinner this Saturday and the Catholic Schools Walk next Saturday. And if you're a current family, please be sure to invite and welcoming one. Invite someone to sit with you. Introduce yourself. Make room.

Many offers us a beautiful model of this idea. I appreciate the family spirit that Jennifer practices for the disciples—a place where people could gather, feel welcome, be fed, and grow in a faith. She made room for others, and we can do that, too.

And, of course, let's celebrate our Warriors!! I hope you'll join us in the stands to celebrate the excellent way our proudly wears the St. Mary jersey. There is something beautiful about a school community that shows up for its athletes.

The Catholic Schools Walk is an important fundraiser, and every dollar directly benefits our students. Get those donations in so I can spend a new costume at the walk. And if we reach $42,000 again this year, I may find myself covered in silly string.

But let's remember that the Walk is about more than fundraising. It is an opportunity to be together.

Let's laugh, cheer, connect, welcome someone new, and celebrate our family as we always are. I can't wait to see you at the Spaghetti Dinner, on the Walk, and in the stands cheering for our Warriors!

With gratitude,
Mrs Wood

Congratulations to our 5th/6th Grade Boys Volleyball Team!

This past weekend, St. Mary's hosted our 6th Grade Boys Home Volleyball Tournament. Our St. Mary's 5th/6th Grade Boys team had an outstanding tournament, going **5-0 in pool play** before defeating St. Dominic's **2-0 in the championship game** on Sunday to claim the tournament championship!

The boys continue their league play this **Friday, October 9, facing St. Jude at 7:30 p.m**. at St. John Vianney's gym. The team is currently 5-0 in league play!

Congratulations to our boys and coaches on an incredible tournament and a fantastic season so far! **Way to go, Warriors!**

Thank You to our St. Mary's parents for helping run a successful home tournament! Special thanks to Rob Prosser and Josh Stanek for volunteering for Athletic Board Duty and 5/6th grade boys volleyball parents for volunteering in the concession stand, admissions table and line judging duties! We appreciate you!

Parish Updates:

RESTORATION TO OUR CHURCH

Families may notice a new addition to St. Mary Church → a Communion rail is being installed to restore the original sanctuary.

While a Communion rail may be familiar to some of our longtime parishioners, it may be completely new to many of our students and families. More than simply an architectural feature, the rail has a connection to what we believe about the Eucharist.

As Catholics, we believe that Jesus is truly present in the Eucharist. The Communion rail provides another visible reminder that receiving Jesus is a sacred moment. It gives us a place to pause, prepare our hearts, and approach the Eucharist with reverence. The rail has also traditionally been understood as an extension of the altar—a place where the people of God come forward to receive Christ and unite themselves more fully with His sacrifice.

Our Catholic faith is filled with physical signs and gestures that help point our hearts toward God. We genuflect. We make the Sign of the Cross. We kneel in prayer. We light candles. Each outward action can help us remember an inward truth. The Communion rail is another opportunity to help our children recognize just how extraordinary the Eucharist is.

As with anything new, it may take a little time for all of us to become comfortable with the change. We will help our students learn what to do and, more importantly, understand the beautiful Catholic meaning behind it.
